### Summary of Sunday Services
**10:30 AM**

**Sunday, May 5**  
**Friendship**  
Service led by: Aislinn Greene, Austin Tant, Emma Rios, and Ryley Swift

Positive friendships are an important part of the journey to adulthood. The Coming of Age youth formed strong bonds this year, and they want to share their journey of growth and friendship with their community.

**Sunday, May 12**  
**Mother’s Day - ‘Saving Mom!’**  
Rev. Pratima Dharm  
Worship Associate: Jeanne Coats

Motherhood places inconceivable demands on us, confronting and challenging us daily to give of ourselves to the point where little is left of us or for that matter our own selves. Rev. Dharm will speak on Mother’s Day on how to save the most essential part of us while meeting the expectations of being a mother!

**Sunday, May 19**  
**Flower Ceremony**  
**Creativity is Essential to Worship**  
Rev. Pratima Dharm  
Amy Randall

It was creativity that first inspired Norbert Capek to begin celebrating the myriad flowers around them instead of holding the regular bread and wine communion service in June of 1923. Rev. Dharm will speak on creativity as an essential element of worship on May 19th to celebrate Flower Communion at Monte Vista UU.

**Sunday, May 26**  
**Wisdom is Essential to Community**  
Rev. Pratima Dharm  
Worship Associate: Catherine Rowlee

Wisdom calls us not to be conformed to our external world, instead we need to be transformed by it and walk towards embracing a renewed body, mind and spirit! Rev. Pratima Dharm will speak on the topic of wisdom on 26th May and the ways to emphasize and incorporate it, especially to build our Beloved Community.
Rev. Pratima Dharm’s Message

Freedom makes a huge requirement of all of us: It also calls us to responsibility! And the greatest gift we can give anyone is to create the necessary tools and the right environment to nurture responsibility as well as independence. This resonates well with me especially as a former Army mom and an active duty Soldier. I remember preparing my older daughter with the necessary life skills that would help her survive in my absence as I deployed to Iraq for a year-long tour of combat duty. My then five year old daughter not only knew how to take care of herself but also helped her dad and grandma with tasks that involved the care of her then five month old infant sister.

Though I had tons of guilt as an absent mom, I was also very proud. Upon my return, both my children were freer to be more independent and responsible! The same principle of giving responsibility to others can perhaps be true and applied at Monte Vista. For example, when newer members are given the opportunity to serve (without force of course!) by more seasoned members who willingly share some of the responsibilities with them, the former can embrace the concept of service. This will allow them to respond, helping them to take more ownership of their role in the church.

My hope is that they will embrace various tasks and opportunities to serve. And perhaps, after a while may experience the feeling that this is ‘our church’, ‘our home’, and ‘our freedom’ to act and build a better community. My sincere prayer is that more people be enabled to contribute as they are able and also discover their capabilities and gifts in the process. In the long run, freedom with responsibility will help shape the lives of more recent members and the lives of all people at a much more deeper and spiritual level, within our beloved Monte Vista Community!

Blessings and Love,
Rev. Pratima Dharm

Presidents’ Message

Beloved MVUUC CommUnity,

The April 14 ceremony for the installation of Reverend Pratima Dharm went smoothly. Congregants and guests had an enjoyable time. Many thanks to those who helped prepare the splendid celebratory meal for the event, the members of CHAO, the ComUnity Homeless Action Outreach. They regularly prepare outstanding meals for the homeless in our community. Some photos of them at work will be available in the foyer.
Great thanks to Catherine Rowlee and Terrie Maguire for decorating the sanctuary, and preparing bouquets for the tables. Thanks also to Maria Wortham for making the eye-catching table cloths for the food service tables. Thanks to the many who had participated in sprucing up the facilities.

Warm Regards,
Cynthia Allaire, MVUUC Board of Trustees President

The Power of We

What do we want Unitarian Universalism to be? It is a time when we are asking big questions in our faith, and GA 2019 will be focused on digging into those questions together. It is a critical chance for congregational leaders and passionate UUs to set new goals and aspirations for our religious community. Help begin to reshape our Association and our congregations in new and powerful ways.

This year’s theme is about collective power, “The Power of We,” as well as the possibility, the purpose, the struggle and the joy of what it means to be together in faithful community. In the past two years, Unitarian Universalism has recommitted to the work of liberation inside and outside our faith community. The antidote to a time of dangerous dehumanization is a love that connects us to our deeper humanity. Come to Spokane to experience what our shared faith can become when we embrace the Power of We.

Spokane

The Spokane region is the gateway for adventure and exploration in the Intermountain Northwest. Located driving distance from Glacier National Park and Yellowstone, Spokane is nestled in natural beauty. Spokane is located on interstate I-90, 110 miles from the Canadian border and 18 miles from Idaho. It is the largest city between Seattle and Minneapolis.

Spokane International Airport (GEG) is serviced by Alaska, American, Delta, Frontier, Southwest, and United Airlines. Nonstop service is offered to 17 destinations, including Minneapolis, Chicago, Dallas, Phoenix, and LAX.

Spokane is accessible by rail via Amtrak’s Empire Builder route (Chicago - St. Paul/Minneapolis - Spokane - Portland/Seattle). It is also reachable by Greyhound Bus.

Excellent Programming

GA will offer more than 100 programming selections over the course of five days. This year, in addition to Theme-Based Programming, the schedule will feature Role-Based Track Programming, including time for discussion among attendees, sharing inspiring models and stories, and concrete suggestions for how to further the work or "take it home." More programming details are available at www.uua.org/ga.

** Financial Aid Available **

The UUA is committed to the goal of making GA accessible to as many attendees as possible. Go to uua.org/ga in the month of March to learn about scholarships to support delegates - particularly those from marginalized groups - and volunteer opportunities (work in exchange for registration).

Update on CIM Group Proposal Regarding Our Property  
February 27, 2019

This week I was contacted by a new person from CIM Group. Jon Prystasz, a Development Associate, is now assigned to the Montclair Place project. He is trying to get up to speed on all the projects around the mall. I sent him a redacted copy of our first 2 meetings with CIM and the Land Use Task Force’s Annual Reports for 2017 and 2018, so he can understand our point of view in the matter and see how involved the whole congregation was with the our reply to CIM. Mr. Prystasz commented that it looked like another year on the rezoning by the Montclair Specific Plan; we had been warned of this before. I requested that he meet with our committee soon.

Folks new to Monte Vista may not have heard of this offer to MVUUC. We were asked in November of 2017 by a Vice President of CIM Group if we wanted to move our location or have the company build us a new facility in exchange for some of our land. On April 9, 2017, our members voted to stay in this location and negotiate with the CIM Group on building a new facility.

I am resending the two Annual Reports for 2017 and 2018 for members and friends to review, reminding ourselves of all that we accomplished together after voting to work toward a possible agreement with CIM Group.

Thank you, Maribel Dana  
Chair, Land Use Task Force

**Congregation Annual Meeting**  
May 20, 2018  
ANNUAL REPORT: LAND USE TASK FORCE

**Submitted by:** Maribel Dana  
**Date Submitted:** May 1, 2018

**Committee/Group Name:** Land Use Task Force

**Committee Chair/Group Leader:** Maribel Dana

**Committee/Group Members:** Vasu Dev, Cynthia Humes, Bruce Mount, Rita Salama, Catherine Rowlee, Megan Gallagher, Amy Randall ex-officio, Rev. Susan Manker ex-officio.

**Bullet List of Major Highlights/Accomplishments**

- July 2017- CIM Group VP Greg Williams visited the LUTF and shared some information about their 20 year plan for this area. The Task Force planned to hold In-gatherings of members and elicit their ideas for a vision of a possible future facility.
• August 2017- Two in-gatherings were held with 18 topics on 18 giant Post-It notes for the members to view, discuss, and write about their dreams. A total of 54 members attended 2 sessions. This information was organized into the Transcription of Topics, Congregational In-gathering. (A link to this is still on our website, the December Encounter). On August 1, Maribel Dana, Catherine Rowlee, Julie Steinbach and Harry Ragland visited a CIM Group site at The Lot in West Hollywood to increase understanding of the company’s work.

• November 2017—CIM Group’s architects from Studioneleven met with the LUTF (11/15) to share preliminary ideas for a sanctuary based on a previous survey taken by the Task Force. The LUTF liked much of their plan and decided to prepare an itemized response that included the congregational visioning from August.

• December 2017-February 2018—LUTF met 6 times to fine tune our response to the ideas presented by the architects. Finally on 2/16, our document was sent.

• March 2018 to present—On 3/30, the Studioneleven architects requested a calendar of events from us and Montessori. Architects said they needed it for a timeline for the Master Plan and hoped to provide a more detailed update in a few weeks’ time. The calendar took a while to prepare and was mailed to them on 4/25/18.

Goals for Upcoming Year:

• Continue to keep the Congregation informed of progress and focus on the vision.

• Remind all that there is no deal with CIM Group yet and that is not possible without a congregational vote.

• With CIM, begin a financial discussion and protect the interests of the congregation, including retention of the cell tower and the rental income from the International Montessori School.

Chalice Lighter Grant

Helping Our Member Congregations

In the last several months the Board of Trustees encouraged members to sign up for the Chalice Lighter program. They planned to apply for a Chalice Lighter Grant as soon as we had enough members contributing as Chalice Lighter supporters. In order to receive a grant, we must have 20% of members contributing to 3 yearly calls of $20 per call. The good news is that, currently, we are over that 20% threshold; however, if some of us become inactive we could lose eligibility, so please go to the website and become a Chalice Lighter if you have not done so already.

https://pswduua.org/about-us/about-the-district/programs/chalice-lighters/
Please visit the page below and learn about all the good your help can provide for congregations in our Pacific Southwest District. You will also be helping our own congregation with fundraising for our growth. MVUUC may be applying for a grant next summer.

Wheel of the Year
A Pagan Perspective on the Seasons
Beltane - May First, 2019

It is Beltane! The Earth warms under the sun’s caress and the world is new and bright again! We emerge from the darkness of a long rainy winter; our eyes drink in the green hills, budding branches and tender shoots on hills and valleys that have often been sere and brown. Wonder of wonders, as I write this, there is still snow on the mountains.

Beltane is a Fire Festival, one of four on the wheel of the Year. The word 'Beltane' originates from the Celtic God 'Bel', meaning 'the bright one' and the Gaelic word 'teine' meaning fire. Together they make 'Bright Fire', or 'Goodly Fire', and traditionally, bonfires were lit to honour the Sun and encourage the support of Bel and the Sun's light to nurture the emerging future harvest and protect the community. However, Bel had to be won over through human effort. Traditionally all fires in the community were put out and a special fire was kindled for Beltane. This was the “Tein Eigen”, the need fire. People jumped the fire to purify, cleanse and to bring fertility. Couples jumped the fire together to pledge themselves to each other. Cattle and other animals were driven through the smoke as a protection from disease and to bring fertility. At the end of the evening, the villagers would take some of the Tein Eigen to restart their hearth fires.

The Maypole is a popular and familiar image of May Day and Beltane. As in days gone by, a phallic pole, often made from birch, is inserted into the Earth representing the potency of the God. The ring of flowers at the top of the Maypole represents the fertile Goddess. Its many colored ribbons and the ensuing weaving dance symbolize the Spiral of Life and the union of the Goddess and God, the union between Earth and Sky.

Beltane honors Life. It represents the peak of Spring and the beginning of Summer. Earth energies are at their strongest and most active. All of life is bursting with potent fertility and at this point in the
Wheel of the Year, potential becomes conception. On May Eve the sexuality of life and the earth is at its peak. Abundant fertility, on all levels, is the central theme. The Maiden goddess has reached her fullness. She is the manifestation of growth and renewal, Flora, the Goddess of Spring, the May Queen, the May Bride. The Young Oak King, as Jack-In-The-Green, as the Green Man, falls in love with her and wins her hand. The union is consummated and the May Queen becomes pregnant. Together the May Queen and the May King are symbols of the Sacred Marriage (or Heiros Gamos), the union of Earth and Sky, and this union has merrily been re-enacted by humans throughout the centuries. For this is the night of the Greenwood Marriage. It is about sexuality and sensuality, passion, vitality and joy. And about conception. A brilliant moment in the Wheel of the Year to bring ideas, hopes and dreams into action. And have some fun.....

Until next month, Blessed be
Jeanne Coats
